

FINAL RETAINER CHECK

Keeping your teeth straight
is a lifetime commitment!

Today is your final scheduled retainer check. You can now begin wearing your retainers just at night. It is recommended that you get at least eight hours of wear per day.

At this point, you won't be scheduled for another appointment unless you request to be seen. If you lose or damage your retainers, call the office to schedule an appointment to have them replaced. There will be a charge for replacement or repair of retainers.

IF YOU HAVE ANY DENTAL WORK COMPLETED (IE: CROWNS, IMPLANTS) YOUR RETAINER WILL NO LONGER FIT PROPERLY; PLEASE CALL OUR OFFICE SO WE MAY SCHEDULE AN APPOINTMENT FOR A NEW RETAINER. SERVICES WILL BE RENDERED AT OUR REGULAR FEE.

****IF YOU ARE HAVING YOUR WISDOM TEETH REMOVED, CONTINUE WITH YOUR REGULAR RETAINER SCHEDULE THE DAY AFTER YOUR SURGERY.**

Continue wearing your retainers EVERY NIGHT indefinitely.
With proper care, your retainers will last many years.

If you have any questions or concerns, call our office at (478) 953-2700.
